

Pole of Cold - A Journey Through Winter

Until November 27th 2016

In this exhibition, local Polar explorer Felicity Ashton MBE reveals the mystical world of the Arctic and the people who live there. A fascinating, interactive insight into the coldest inhabited place on earth.

For prices, details and to book contact Shirley on 01634 823800 or smajor@chdt.org.uk. www.thedockyard.co.uk

Winter Outreach Activities

November 27th 2016 - February 11th 2017

Our new Mobile Dockyard vehicle will bring a selection of our taught activities, handling collection and science experiments to your school as well as offering inspiring assemblies. Everything from Pirates to Physics and Ships to String!

For prices, details and to book contact Shirley on 01634 823800 or smajor@chdt.org.uk www.thedockyard.co.uk

The Dockyard to Yourselves!

November 27th 2016 - February 11th 2017

Exclusively for your class! We are closed to the public for this period but can offer you the 80 acres of The Historic Dockyard, three historic ships and iconic galleries to yourselves (access depends on maintenance schedule) together with a selection of our activities and the services of one of our learning team to guide.

For details and to book contact Shirley on 01634 823800 or smajor@chdt.org.uk www.thedockyard.co.uk

Doc Yard's Secret Lab

February 11th 2017 - May 1st 2017

For bright sparks! This 45 minute, immersive, 'hands on' session explores static electricity, magnetism, dynamos and motors with Van der Graaf generator demonstrations as the climax.

For details and to book contact Shirley on 01634 823800 or smajor@chdt.org.uk www.thedockyard.co.uk
