

## [Dutch Raid on the Medway \(June-July\)](#)

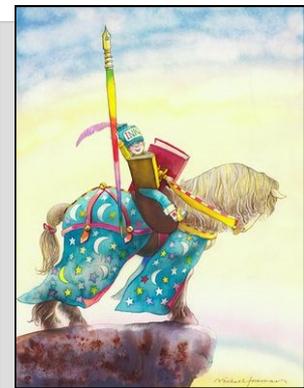

An exciting exhibition of important artefacts, paintings and models telling the story of the 1667 Dutch surprise raid on the River Medway. Linked to the Medway Council celebration 'Medway In Flames' this exhibition describes the events leading up to and culminating in the darkest time for the Royal Navy, but one which formed the catalyst for change, resulting in the Royal Navy's eventual world dominance during the age of sail.

Learning activities for each Key Stage are available to book by contacting [learning@chdt.org.uk](mailto:learning@chdt.org.uk)

## [Michael Foreman Exhibition \(Sep-Nov\)](#)

The work of the much admired illustrator and author Michael Foreman is celebrated in this fun, hands on, interactive exhibition. Learning activities focus on one of his stories—The Amazing Tale of Ali Pasha, mixing art, crafts and maths, as the pupils learn about the colourful characters in this book.

Contact the Learning team using [learning@chdt.org.uk](mailto:learning@chdt.org.uk) for further details and to book an exhibition and learning session during your visit.

Join Doc. Yard and Bunsen as they explore the mysteries of Electricity and Magnetism. From the smallest building blocks discovered by the Greeks, to modern day generators and motors, Doc and Bunsen take you on an adventure with interactive experiments in the Static, Magnetic and Hair Raising Zones!

Over 8000 visitors joined Doc in the Secret Lab at the Dockyard this Spring... now the Secret Lab can come to you!

To book a Secret Lab session visit to your school contact us on [learning@chdt.org.uk](mailto:learning@chdt.org.uk)

From its starring role at the Steam & Transport Festival weekend, the Chatham Historic Dockyard Punch and Judy Show is now available to visit schools across Kent. Mr Punch, Judy and other traditional characters star in this 15 minute show, followed by the opportunity to meet the puppets, discover some of their interesting history and design and make your own examples. This fun, engaging session links to numerous areas of the National Curriculum.

To find additional information, prices and to book one of these sessions to visit your school, please contact the learning team by email at [learning@chdt.org.uk](mailto:learning@chdt.org.uk)
