Caterer on Site Instructions

- You must clearly sign and price all your products for sale.
- The signage must be visible to visitors before they get to your unit, by using A-Frames if possible or visible from a distance on the unit.
- Please do not pour waste oil in any of the site drains.
- Please use the correct waste bins for caterer waste. If you are unsure what bins to use please ask one of our staff to contact the Maintenance Team for instruction.
- Ensure you ask for the correct power supply by filling in the Power Request Form.
- If you have a separate refrigerator unit to your outlet please inform us and inform us what split in power is necessary. Refrigerator units will not be located with your outlet but will be located as near to your outlet as possible.

Thank you for your cooperation and we wish you all the success for your business at the event.
