*We are delighted to have the V&A's touring exhibition with us this year! This exhibition will look at Pirates as characters in children's culture and as icons in the popular imagination. Pirates have been family favourites for over 200 years, with many stories and tales to share! Everyone knows a Pirate's mannerism and what they wear, but do you know why? Get ready, young buccaneers, for all things Pirate - you're bound to learn a new Pirate trick or two to join the ranks!*

Exhibition organised by the V&A Museum of Childhood
